Detective's Release Composites of Utility Worker Impersonators

Since September 19th, and most recently the 22nd, we have experienced three burglaries in which the subjects gained entry to the Victim's residence under the ruse that they were FP& L or City of Miami Beach utility workers.

We would like to alert the Citizens of Miami Beach of this crime spree and also remind them not to open their doors to anyone regardless of who they identify themselves to be.

In the event that you have someone knock on your door wanting to speak to you, and identifying themselves as City workers, please demand proper ID and purpose. You can also call the Police Department at 305-673-7901 and verify to see if the person at the door is in deed a City worker.
